equipment and engines

accessories

athletic design

Wide shoulders and a muscular bonnet for an intensely proportioned design. The glossy black⁽¹⁾ roof highlights the elegance of the lines. Contrasting side protection elements⁽¹⁾ reinforce the dynamic silhouette.

The result of the historic collaboration between the Renault and Alpine design teams, the esprit Alpine version asserts its dynamic character: 20" daytona black diamond-cut wheels, exclusive satin shale grey tint, shale grey sport blade at the front, black roof, satin black roof bars, distinctive badges.

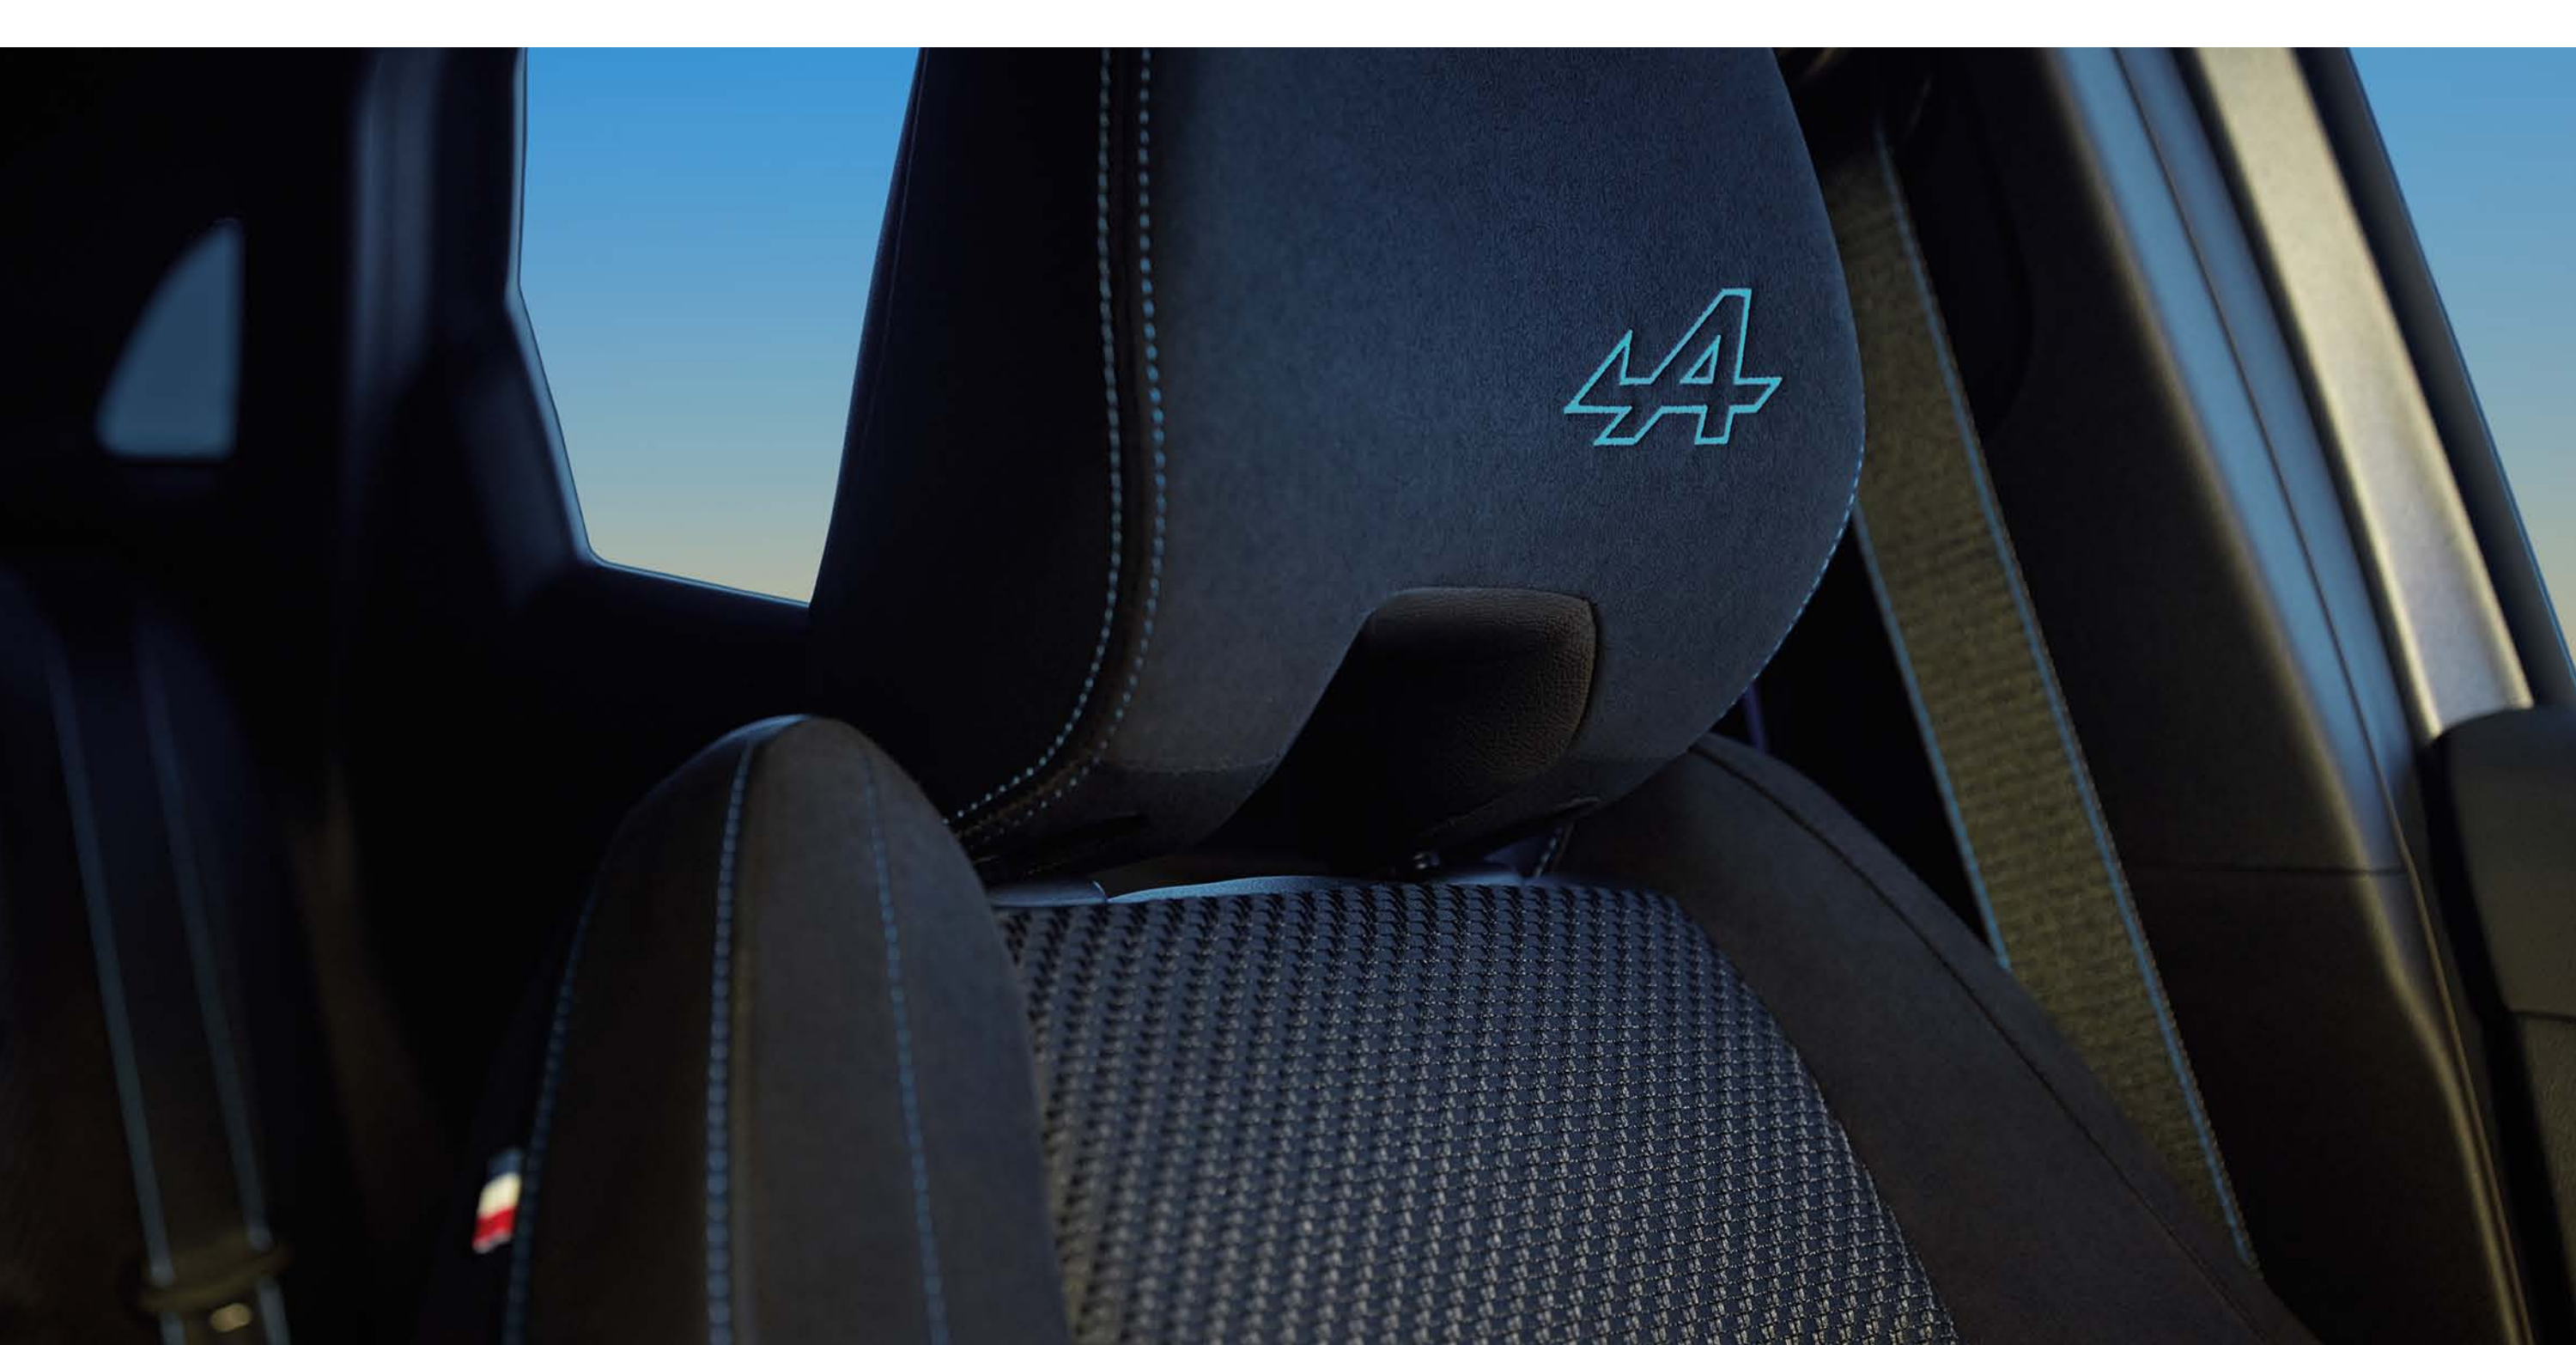

20" daytona black diamond-cut alloy wheels with smoky grey clearcoat

esprit Alpine badge

There is also an Alpine touch in the passenger compartment: the Alcantara[®]/fabric upholstery is enhanced with blue top-stitching, the headrests feature exclusive embroidered motifs, and the aluminium pedal unit energises the cockpit. The textured Alcantara[®] coated steering wheel is covered with blue, white and red stitching.

⁽¹⁾ depending on the version.

4Control advanced⁽¹⁾

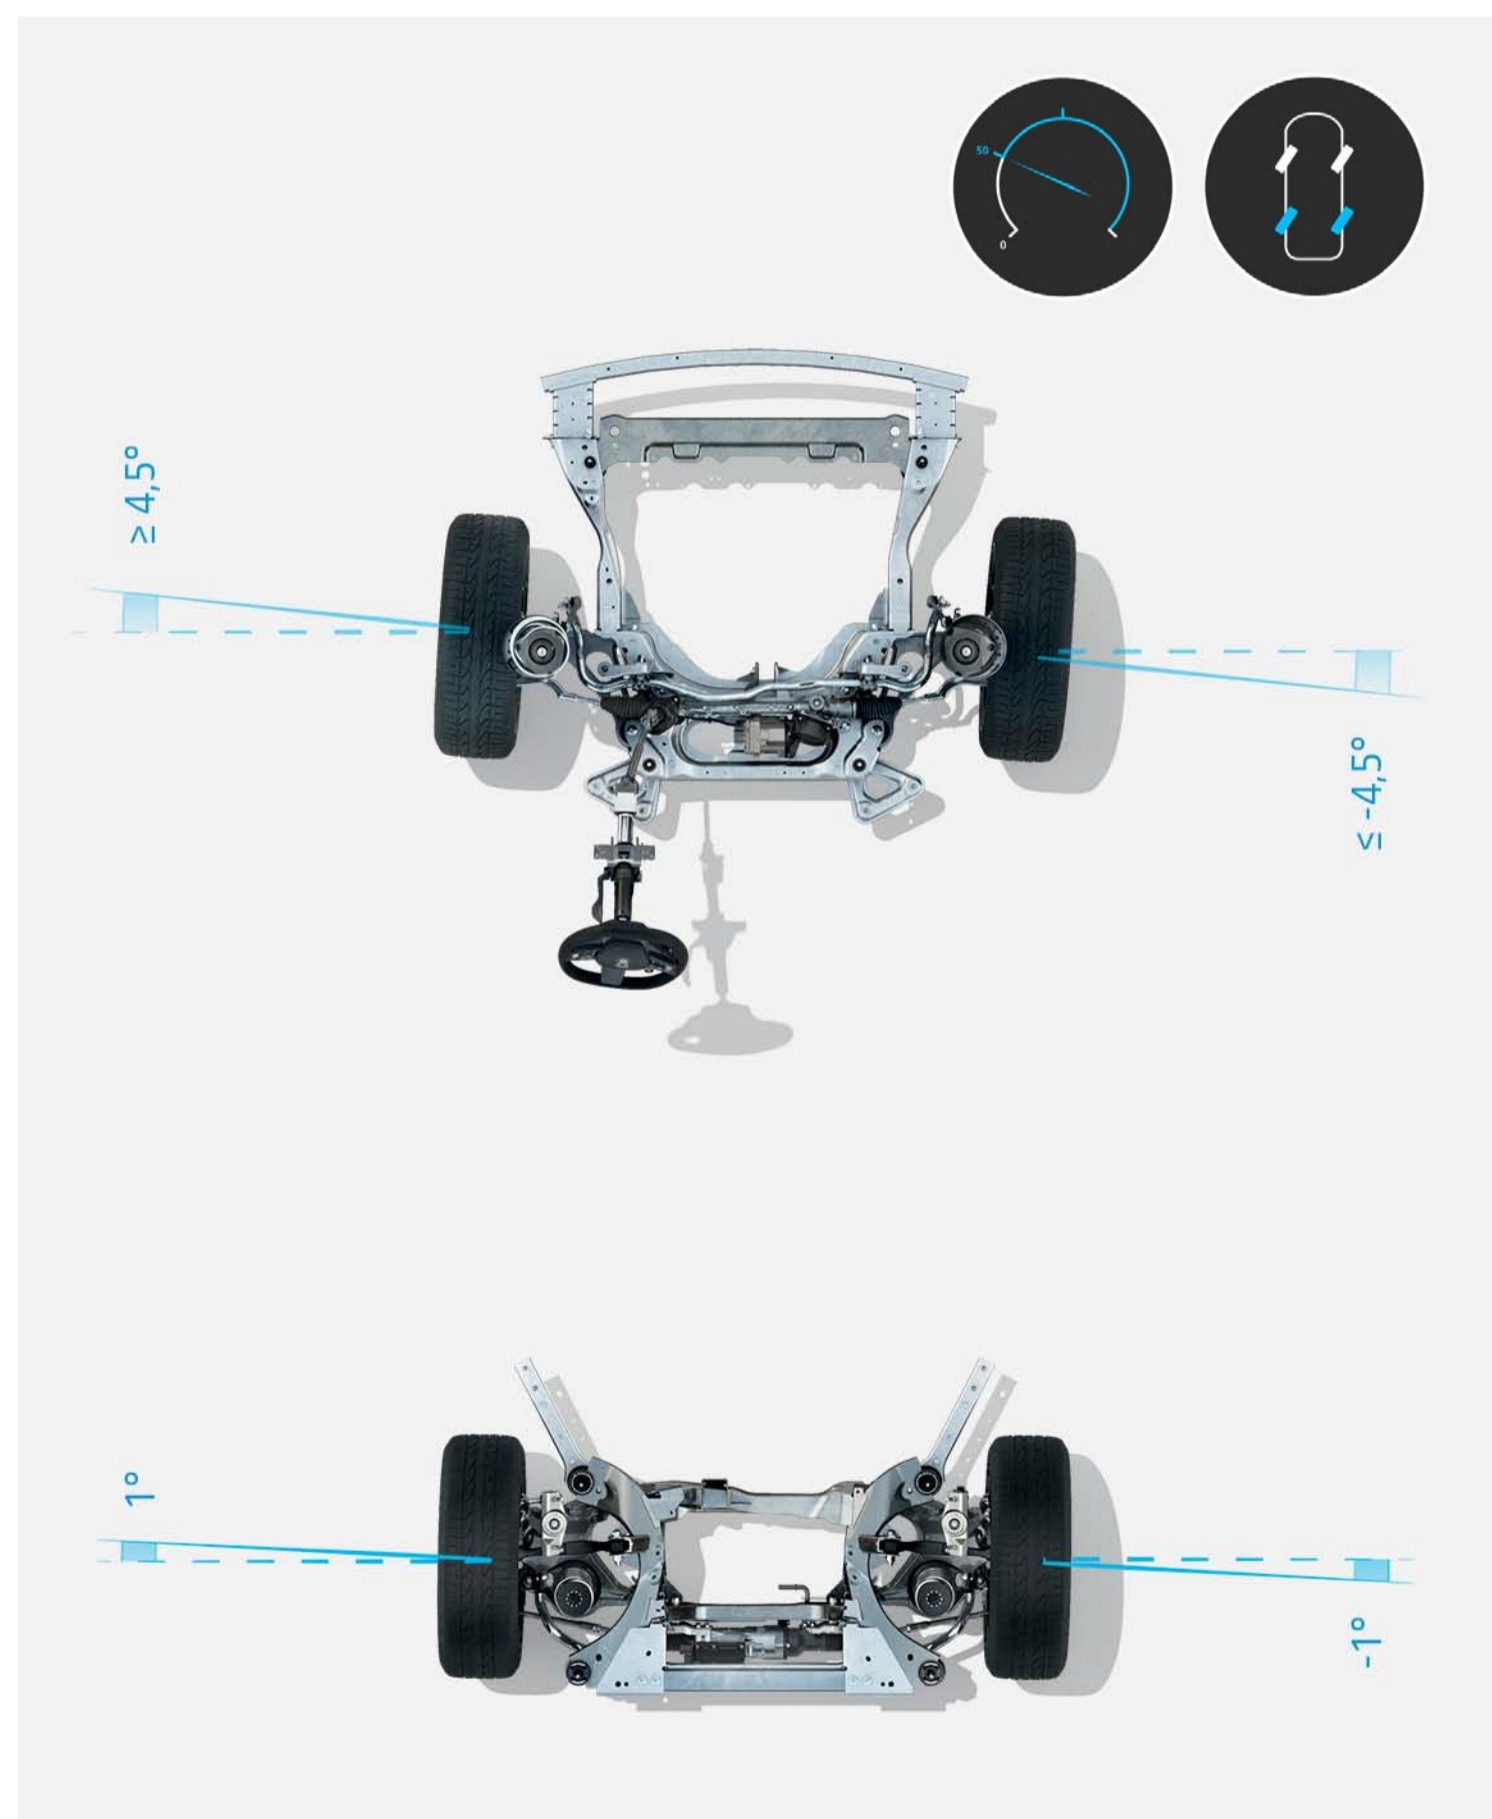

The 4Control advanced⁽¹⁾ system with 4-wheel steering makes driving safer and more precise.

The 10.1 m turning circle is comparable to that of a city car.

up to 50 km/h, the rear wheels turn in the opposite direction to the front wheels to reduce the turning circle

above 50 km/h, the rear wheels turn in the same direction as the front wheels to improve road holding and safety

⁽¹⁾ depending on the version.

openR link multimedia system with Google built-in

The openR link multimedia system and its 774 cm²(1) of intuitive technology incorporate the best My Renault connected services and with Google⁽¹⁾⁽²⁾ built-in.

Amazon Music, EasyPark, Radioplayer... more than 50 applications with exclusive content are available via Google Play⁽³⁾.

Waze is a community-based navigation app that shares information in real time. Waze boosts your peace of mind.

Drive to the beat with our new musical game – **SongPop for Renault!** Play together and rediscover popular songs with your family and friends!

Take to the road while listening to playlists, and much more, with **Amazon Music**, included with your Amazon Prime subscription.

Find all the sports news live in your car thanks to the **L'Equipe for Renault** app.

Vivaldi browser is an efficient, fast web browser that respects your privacy.

Access all your favourite radio stations live, at any time, in France or abroad, with **Radioplayer**.

Kabriol is the first audio-geolocated tourist guide for children. Hundreds of stories and geolocated information to keep you busy in the car.

Discover the stories around you thanks to **Karacal's** geolocated sound bubbles. Make every journey a new adventure.

Ready to play? Quizzes, riddles and challenges await you! With Renault and **Les Incollables**[®], travelling is fun for all the family.

With **EasyPark**, plan and book millions of parking spaces across Europe. Enter your destination's address or navigate using the map.

Sybel is a unique platform to find your favourite podcasts, and discover exclusive original creations, audio books, new documentaries, etc.

"Hey Google..." Talk to it to plan a journey, change driving mode or adjust the temperature. The voice assistant⁽²⁾ is always available.

Blocked road, new one-way street, temporary deviation... The Google Maps navigation system⁽²⁾ ensures precise driving even in the event of network loss.

(1) depending on version and country.

(2) My Renault, Google Maps and Google Assistant connected services are provided free of charge for 5 years from the date of delivery of your vehicle.

(3) using applications downloaded from Google Play requires a dedicated data package. To use these apps, share your phone's connection with your Renault. You can also subscribe to a pay-as-you-go offer from our partner Orange (offer without commitment) where the first 3 GB are free (valid for 6 months).

Google, Google Maps, Google News, Waze and other brand names are all trademarks of Google LLC.

32 advanced driving assistance systems

WARNING!
TEXT DELETED

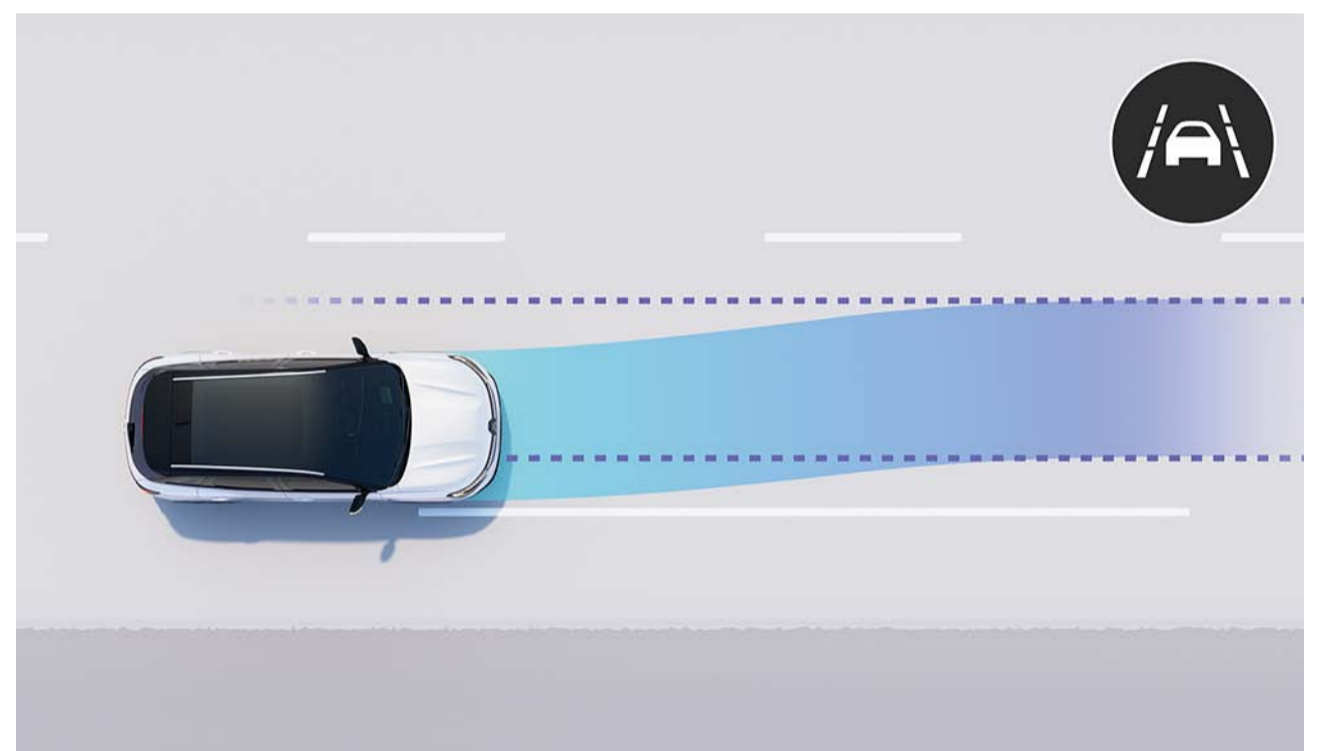

intelligent adaptive cruise control⁽¹⁾
It maintains a safe distance between you and the vehicle in front by activating the brakes when the distance is too short and the accelerator when the road is clear again. It analyses the surrounding environment to control your speed predictively.

LED matrix vision headlights
The system automatically adjusts the light beam shape to the traffic and weather conditions to avoid glare and optimise night vision.

emergency braking when reversing
This system detects obstacles at the rear and stops the vehicle automatically in the event of danger.

lane keeping assist
This system corrects the angle of the steering wheel, returning the vehicle to its lane unless you have indicated.

360° around view 3D camera
4 cameras, whose images recreate the vehicle's direct environment 360° around it, allow you to perform your manoeuvres effortlessly.

occupant safe exit alert
This system alerts you if a vehicle is approaching from the rear when you want to open the door.

driving

- active driver assist
- hill start assist
- 9.3" head-up display (210 cm²)

accessories

customisation packs

Customise your vehicle's exterior trim with four colour packs: carbon effect, gold accents, light grey or satin metal grey.

Renault nouvelR roof box

Are you going with family or friends? Additional luggage can be stored in a new, secure and lockable Renault nouvelR roof box with a capacity of 380 litres, 480 litres or 630 litres.

electric retractable towbar

The 100% electric retractable towbar is automatically deployed by simply pressing a button located in the boot. It can be retracted in just a few seconds – it becomes invisible and protects the design of your vehicle.

sidesteps

Emphasise the robust style of Renault Austral with the sidesteps which make it easier to access accessories on the roof and protect the bodywork from everyday shocks.

esprit Alpine textile floor mats

Choose from a full range of mats to protect your vehicle's passenger compartment. Reaffirm its decidedly sporty look with an exclusive signature thanks to esprit Alpine textile floor mats.

WARNING!
link to the configurator to be integrated by the country

the human first program is a comprehensive safety programme developed by Renault in cooperation with researchers, experts and firefighters.

because road safety concerns all road users, whether they are pedestrians, cyclists, motorists, the human first program by Renault undertakes to:

1. prevent accidents by developing safety equipment and advanced driving and safety assistance systems

up to **32** advanced driver assistance systems / more than 60 safety features, up to 7 airbags, child seats (Isofix), Renault Fixe4sure solution / more than 2,000 security-related patents filed since 1970

2. dealing with accidents based on innovations developed with the fire service

QRescue / Fireman Access / more than 5,000 firefighters trained over 10 years in **20** countries worldwide / around 400 cars donated per year for their training

3. reduce the number of accidents and their severity by investing massively in R&D

safety score / safety coach / connected services / big data / artificial intelligence and cybersecurity systems

find out more about the human first program

Renault care service

Replace what is necessary, at the right time. Thanks to its connected and predictive maintenance features, it is easy to service your Renault Austral E-Tech full hybrid. And thanks to the My Renault application, quotes, online appointments and even service history are at your fingertips.

■: standard. o: option. -: not available. (1) included for 5 years. (2) using applications downloaded from Google Play requires a dedicated data package. To use these apps, share your phone's connection with your Renault. You can also subscribe to a pay-as-you-go offer from our partner Orange (offer without commitment) where the first 3 GB are free (valid for 6 months). (3) contact your sales advisor for more details on the leather materials used. All seats mentioned as being leather in this document are composed partly of real leather and partly of textured coated fabric. Google, Google Maps, Google News, Waze and other brand names are all trademarks of Google LLC.

Every precaution was taken to ensure that these technical specifications were accurate and up-to-date when disclosed. This document has been created using pre-production and prototype models. In line with its policy of continuous product improvement, Renault reserves the right to modify the specifications, vehicles and accessories described and featured at any time. Any such modifications are communicated to Renault dealers as quickly as possible. Depending on the country of sale, certain versions may differ and certain equipment may be unavailable (as standard, as an option or as an accessory). Please contact your nearest dealer for the latest information. Because of the limitations associated with the medium, the colours featured in this document may differ slightly from those of the actual paintwork or interior trim. All rights reserved. Reproduction in any format and by any means of all or part of these specifications is prohibited without prior written authorisation from Renault.
