Passion for life

All-new
Renault KOLEOS

KOLEOS

Strength and refinement

Sculpted design

With its assertive silhouette, muscular shoulders, and imposing front grille, All-new KOLEOS wins you over from the first glance, with its athletic power. All-new KOLEOS is an SUV which boasts its raised ground clearance, high skid plates on the bumper, and its 19-inch wheel rims. Its signature lighting also leaves an impression. The charismatic All-new KOLEOS is always up for an adventure, whatever the terrain.

Invitation to well-being

Refinement hits you first when climbing into the passenger compartment of All-new KOLEOS. The finish is meticulous, right down to the smallest details: satin chrome for the inserts on the steering wheel, gear lever and air vents; padded materials on the dashboard and door trims; covered grab handles.

The INITIALE PARIS signature enhances All-new KOLEOS by offering the best of Renault's know-how to stimulate all of your senses. INITIALE PARIS provides the best materials with Nappa leather* upholstery and careful manufacturing to provide a refined atmosphere for all passengers. Enhanced with double contrast stitching, the INITIALE PARIS upholstery conjures up the world of haute couture.

* Bovine leather.

A unique experience begins

A new vision of comfort

All-new KOLEOS brings comfort to all of its occupants. The front offers the option of heated, ventilated and massaging electric seats for the driver. At the rear, passengers enjoy a generous space and a reclining bench seat ideal for long journeys. The spacious passenger compartment is an invitation to well-being.

Dominate any terrain

Behind its assertive styling, All-new KOLEOS has the DNA of a true SUV. Experience each day as a new adventure and go off the beaten track with All Mode 4x4-i technology. Switch from 4x2 to 4x4 in the blink of an eye and discover real off-road capabilities. Benefit from permanent traction to help deal with every situation due to the optimum distribution of torque between the front and rear wheels. Push the boundaries with All-new KOLEOS!

Benefit from performance

All-new KOLEOS is fitted with a new generation of Blue dCi engines with the latest emission control technologies while offering more power. To explore daily life, escape from reality or master the most adventurous tracks, you get to choose: from the fuel economy and versatility of the Blue dCi 150 X-Tronic engine, which stands out with its flexibility and smoothness; or the Blue dCi 190 X-Tronic All Mode 4x4-i, which delivers top-level performance and driving pleasure. It is the ideal companion for long trips and off-road adventures that will demonstrate its responsiveness and efficiency. Whatever you choose, driving pleasure is guaranteed.

1.

2.

The art of making life easy

All-new KOLEOS makes daily life easier. Have you got your hands full? To open the boot, place your foot underneath the rear bumper. It understands the art of gaining space: thanks to the Easy Folding System (Visual 1.), the rear seats vanish instantly, one by one or all together, according to your needs, to form a flat floor. To manoeuvre, it's Easy Park Assist system (Visual 2.) simply takes the controls and parks the vehicle smoothly, without you having to touch the steering wheel. The best of modern technology will help you in everyday life.

Technology by your side

Because they connect, simplify driving and ensure your safety, technological aids are at the heart of All-new KOLEOS's driving experience. Smartphone mirroring allows you to use the compatible functions of your phone via the 8.7-inch R-LINK 2 touchscreen. For your safety, All-new KOLEOS has many driving assistance features. Among these, the adaptive cruise control makes sure that you maintain the safe following distance with the vehicle in front by acting directly on the brake or accelerator. With the blind spot detection system, an indicator light located on each of your door mirrors will warn you when a vehicle enters your blind spot. In addition, as All-new KOLEOS is designed to make your life easier, the driving aids are easy to use. Pleasure and peace of mind on board.

LIFE

Safety and driving assistance

- ABS with Emergency Brake Assist (EBA)
- Hill Start Assist
- Driver and passenger adaptive front airbags (passenger airbag can be disabled)
- Driver and passenger pelvis/thorax side airbags
- Front and rear curtain head airbags
- Lane departure warning
- Speeding alert with road sign recognition
- Automatic full central locking when in motion
- Electronic Stability Control (ESC)
- Electronic parking brake
- Inter-urban and pedestrian active emergency braking system (AEBS)
- Tyre inflation kit
- Cruise control-speed limiter
- Tyre pressure monitoring system

Driving

- ECO mode
- On-board computer
- Stop & Start

Comfort

- Air vents for rear seats
- 2-position reclining, 60/40 folding rear bench seat
- Rain and light sensor (automatic main/dipped beam headlights, windscreen wiper activation and speed)
- Automatic dual zone heating and air conditioning system
- One-touch front and rear electric windows on driver's side

Multimedia

- 1 USB socket and 1 AUX socket in the front

- 7" TFT digital instrument cluster
- 12V sockets in the rear and luggage compartment
- Audio system with 4.2" screen, Bluetooth® connectivity - Hands-free telephone

Interior fittings

- Removable rear central armrest with storage space and 2 cup holders
- Flat under-floor compartment
- Front console with 2 wide, heated and cooled, cup holders
- Front-seat seatback pockets

Exterior design

- LED front daytime running lights
- LED rear fog lights
- 17" Esqis alloy wheel rims

Interior design

- Black fabric upholstery
- Leather* steering wheel and gear lever knob

Options

- Rear parking sensors
- Fatigue detection warning
- Longitudinal roof bars
- Tyre repair kit
- Winter Pack 1 (headlight washer, heated steering wheel)
- R-LINK 2: connected multimedia system, 7" touchscreen, Bluetooth® connectivity, hands-free telephone, Apple CarPlay™ and Android Auto™ compatibility with 3D sound by Arkamys®
- Reinforced heating system

ZEN (LIFE +)

Safety and driving assistance

- Rear parking sensors
- Fatigue detection warning

Driving

- ECO driving (analysis and advice)

Comfort

- Renault hands-free card with automatic headlights on approach, access and start-up
- Rimless electrochromic interior rear-view mirror (rimless = left-hand drive only)

Multimedia

- 2 USB sockets and 1 AUX socket in the front
- R-LINK 2: connected multimedia system, 7" touchscreen, European maps, Bluetooth® connectivity, hands-free telephone, Apple CarPlay™ and Android Auto™ compatibility with 3D sound by Arkamys®

Exterior design

- Longitudinal roof bars
- 18" Argonaute alloy wheel rims

1. Electric retractable towbar. Take your mountain bikes on a weekend getaway or tow a trailer, thanks to the electric retractable towbar. When not in use, it folds away out of sight with a simple push of a button in the boot, thus preserving the design of your All-new KOLEOS.

2. Induction charger. No matter how long your journey, stay connected with the induction smartphone charger, perfectly integrated into the storage compartment.

3. Premium side steps. Highlight the design of your All-new KOLEOS' lines with premium sidesteps. These practical side steps make it easier to access your vehicle and its roof. They also protect the body from everyday minor impacts.

4. Protective film. Protect your vehicle against everyday nicks thanks to the body protection film pack. Minor impacts, scratches or even repeated friction are no longer an issue.

5. Rear sport kit. At the front and the rear, the sport kits redesign your All-new KOLEOS's bumpers, adding an extra touch of fierceness.

“From creation in our design studios through to production and finally distribution via our network, striving for quality is what guides us”

Laurens van den Acker – Senior Vice President of Renault Corporate Design

Quality at first sight

Quality production and in-plant assembly brings the work of the design teams to life. Industrial standards are applied to each detail of the body, from the precision of the adjustments to the application of paint.

Quality, down to the smallest details

The interior is meticulously crafted from a selection of elegant materials, such as the satin chromes or Nappa leather*. Hand-made and contrast stitched, special attention is paid to the upholstery to ensure durability.

Proven quality

All-new KOLEOS benefits from the All Mode 4x4-i all-wheel drive which has already proven its worth on millions of the Alliance's vehicles sold worldwide. This sharing of expertise in the SUV segment is an important asset.

Tested reliability

All-new KOLEOS brings new engine technology:

- Blue dCi 150 X-Tronic has undergone 2 test bench tests and more than 270,000 km of tests on the road.
- Blue dCi 190 X-Tronic All Mode 4x4-i was tested for 25,000 hours on a test bench, and over 500,000 km on the road.

These engines are assembled at the Cléon plant (Normandy, France), a symbol of the Group's know-how and strength of innovation.

* Bovine leather.

Renault at your side

We are always at your side to make life easier and save you time with the maintenance of your Renault: online quotes and appointments, packages, maintenance contracts, insurance and assistance, personalised MY Renault programme... Take advantage of our simple, rapid solutions tailored to your needs.

Your first steps

Find all the information you need:

- on our websites, product/service/finance offers, test appointments, etc.
- in our dealership network, meetings with our sales and technical teams.

Renault Service, 100% covered

Guard against the unexpected with our extended guarantees, insurance policies and Renault Assistance, there for you always.

MY Renault, day-to-day partner

Enjoy the benefits of a personalised web account with advice, offers, exclusive perks, reminders of the maintenance programme, upcoming appointments, etc.

Renault Service, no worries maintenance

Our Renault Service maintenance contracts offer you the benefits of a bespoke all-inclusive package.

Accessories, your custom Renault

Our range of accessories contains everything you need to make your car even more attractive, practical, comfortable and personalised.
